

SoftPOS  
Use Cases and Scenarios

## Pop-up store / Weekend market

No need to apply or carry heavy terminals in occasional events such as pop-up stores and weekend markets

## Taxi

Foreign tourists can pay taxi's fee with credit card without worrying they do not have enough local currency in cash

## Ticketing and public transport

Collect payments during examining entry tickets if needed

## Delivery

Customers may prefer to pay by COD when they shop online

## Roadside parking

Parking fees can be collected at roadsides situated anywhere

## Restaurant & Bar

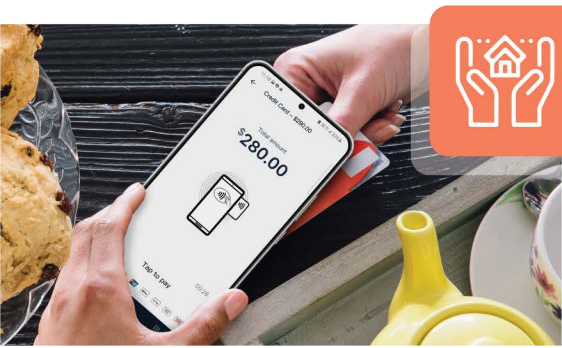

Streamline the operation flow for order and pay at table

## Freelancer

A more convenient and easy-to-apply payment options for freelancers

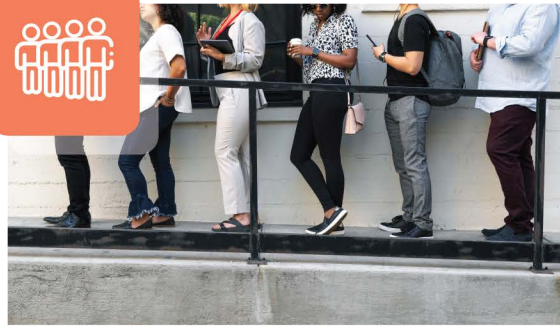

## At-home personal service

Collects payments during at-home services provided for customers

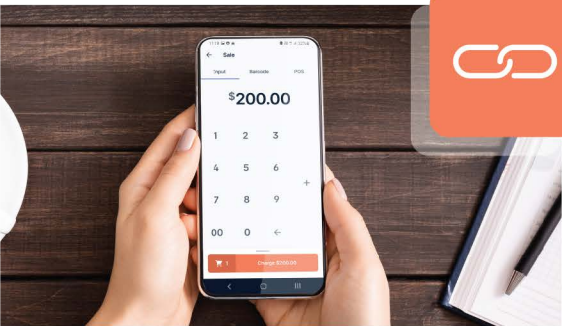

## Line busting

Payments could be accepted along the checkout queues saving customers' time for better shopping experiences

## Offline to online

Shares payment links with customers via social apps for online payments
